The Media Evangelism Association, established in Canada in 1999, is an organization that aims to evangelize through different means of media production. Starting off their work with slide show productions, and gradually moving into movie production, they have shared the gospel within local churches and their communities, making a notable impact in people's lives.

The Angel's Heart is a Christian Magazine published by The Media Evangelism Association. Filled with God's blessings, each interview story was able to empower and encourage readers. After the pandemic, The Angel's Heart resumed printing its magazines in August 2022. It has published 12 issues of a special column where new immigrants share their testimonies. Whether through joy or sorrow, or whatever challenges they have faced, their stories all conclude with praises and thanksgiving. For in God, there's only blessing.

The Media Evangelism Association also filmed a Christian movie “Love is Plan B”, which premiered in Vancouver, Calgary, Edmonton and Toronto last November and December at different evangelical events. After the premier, the movie is shown in different community theatres throughout Canada and the USA, reaching a total of about 30,000 people to date, many of whom received Christ, a perfect way to conclude those events.

Love is Plan b

愛一個人就是在對方最需要的時候

用希望為大家築起一條橋樑

一起走 走到彩虹盡處

Praise the Lord, “Love is Plan B” is currently available on all Cathay Pacific and Emirates flights. Pray that God will continue to make the gospel known to more people through this movie.

The Media Evangelism Association would like to thank all the different churches the have been providing them with prayers and support, which allowed them to continuously spread the good news with the work they've been doing. Please pray for:

1. their finances as the costs of printing continue to increase
2. more testimonial stories and theme articles to be published
3. more collaborative evangelical events with local churches featuring "Love is Plan B"
