What do they do?

"In addition to training leaders for ministry, Ambrose University offers accredited degrees in arts & science, education, and business. Our Seminary offers graduate-level degrees and programs in ministry, theology and biblical studies. These disciplines are united by the quest for knowledge, wisdom, virtue, and service."

How does what they do connect with Newbern's mission?

Their work in both Christian higher education and theological education makes an important contribution to the ministry of the C&MA in Canada. Supporting them is one way Newbern can fulfill the Great Commission around the world.
